

QUIZ 6

Lockdown Special Edition

ANSWERS

NOT JUST FILMS.....

When we set up Screen Memories, we always intended to include vintage TV in our sessions, and this week's issue is a TV Special. As well as the usual film content, we

have looked back at the early days of TV when there were only two or three channels, the pictures were in black and white, and you could avoid adverts. We hope you enjoy the trip back down Memory Lane.

TOP TEN T.V. QUESTIONS
